Every ESP provides behavioral health crisis assessment, intervention and stabilization services, 24 hours per day/7 days per week/365 days per year, through 4 service components: Mobile Crisis Intervention (MCI) services for youth, adult mobile services, ESP community based locations, and community crisis stabilization (CCS) services for ages 18 and over. The operating hours for the ESP community based locations and CCS programs are noted above. The operating hours for Mobile Crisis Intervention services for youth are 24 hours per day/7 days per week at any and all locations. The operating hours for adult mobile services are 24 hours per day/7 days per week: during this time period, mobile services will be available from 7 a.m. to 8 p.m. at any/all locations, and from 8 p.m. to 7 a.m. this service will be available in residential programs and hospital emergency departments.

All ESP service components and locations may be accessed through the ESP's toll free number. Where applicable, local numbers for specific locations have also been provided above. It is recommended that individuals and families call the ESP's toll free number first, so the ESP can help them access the most appropriate services. Please refer to www.masspartnership.com and click on "ESP" on the left side of the homepage for more information including updates to this directory.
